BASEBALL IS AGITATED

The question of town base-ball and Pine Tree League is in the air and it would be sufficient interests to v calling a meeting and talk over the matter.

Locally there are many players no doubt, to join in for a team representing South Paris, but finding a manager can stake his time and money. The Pine Tree League had a successful season in that berth. His more season in that berth.

Lesson for April 10

PETER'S LESSON IN TRUST

LESSON TEXT—Matt. 14:22-32. GOLDEN TEXT—Be of good cheer. It is I, be not afraid.

PRIMER TOPIC—Peter Trusts Jesus

JUNIOR TOPIC—A Helping Savior. INTERMEDIATE AND SENIOR TOPIC—Why Peter Failed.

YOUNG PEOPLE AND ADULT TOPIC—Christ the Ever-Present Helper.

The storm-tossed disciples on the sea at night are an example of the struggling followers of the Lord in the darkness of the present age, as they are tossed by the tempests of the evil one.

1. The Disciples on the Storm-Tossed Sea (vv. 22-24).

1. They are sent across the sea by Christ (v. 22).

"Jesus constrained His disciples to get into a ship." Doubtless His reason for this was to keep them from encouragement in the movement of the people to make Him King, for in John 6:14, 15, it is shown that the people were so excited by the feeding of the 5,000 that they were about to make Him King by force.

2. Christ dismisses the multitudes (v. 23).

This may be taken as typical of His rejection by the nation whose rulers had already rejected Him.

3. Christ praying alone in the mountain (v. 23).

Temptation to earthly honor and power had come to Him, therefore He went to the Father in prayer for relief and strength. The need of prayer is greatest at such times. According to Mark 6:48 He saw from the mountain the disciples toiling on the storm-tossed sea.

11. Jesus Walking on the Sea (vv. 25-27).

1. It was in the fourth watch of the night (v. 25).

He did not come to them immediately, but waited till almost dawn. However, it was the darkest part of the night. Their physical danger was great, but no doubt their mental perplexity was greater. They knew that the Lord had sent them, but why should they be in such straits if He sent them? The stormy sea is no evidence that the disciple is not in the Lord's appointed way.

2. The disciples alarmed at His coming (v. 26).

At the sight of Him they cried out for fear. They said: "It is a spirit." It was the coming of their best friend to deliver them from danger.

3. Jesus' words of comfort and good cheer (v. 27).

In the midst of their distress they heard the Master's words. "Of good cheer, it is I, be not afraid." This changed their fear to joy.

111. Peter Walking on the Sea (vv. 28, 29).

1. Peter's request.

As soon as Peter recognized the voice of Jesus he cried: "Bid me come to thee on the water" (v. 28).

2. Jesus' response (v. 29).

At the Lord's command, Peter left the ship and walked on the water. While he kept his eyes on the Lord he walked on the waves. His faith linked him with the divine power and was thus upheld. Vital faith in Jesus Christ will enable the disciple to outlive the storms of life.

IV. Peter Sinking (v. 30).

He took his eyes off the Lord and placed them upon the raging sea. This separated him from the divine power. We should learn to fix our eyes upon the Lord instead of upon our circumstances. Failure will surely follow if we give consideration to our circumstances and our own ability to master them.

V. Christ Rescuing Peter (v. 31).

When Peter began to sink he did the sensible thing. He cried out: "Lord, save me." Immediately Jesus stretched forth His hand and caught him. His salvation from death at the bottom of the sea was the result of the Lord taking hold of him. Jesus Christ in the incarnation was the divine hand reaching forth to rescue a sinking world. The significance of the expression "caught him" is made clear in Hebrews 2:14. It is there declared that Jesus took not upon Himself the nature of angels but took upon Himself the seed of Abraham. The same Greek word occurs in verse 31 of this lesson. We should understand from this that the eternal Son of God did not come in the form of a man in order to save man the way to God, but identified Himself with man through incarnation with Him. He came, not as an example, but as a Savior.

The Right of Free Speech will be denied to barbers who in Iowa if a proposed law is enacted. This bill prohibits the barber from talking, while he is working, over a customer, and fines a penalty for violation of \$100. Such a law would be popular in this state. The barber shop in the rural sections is the open forum, where we all gather to settle the great questions of the town, state and nation, and it would be extremely unjust to prohibit the barber, who furnishes the meeting place free of charge from participating in the discussions, as well as being a very difficult law to enforce.

EAST FRYEBURG

Clarence H. Osgood Dead—Grange Meeting, Saturday.

This community was shocked and saddened by the sudden death at a hospital in Portland, of Clarence H. Osgood, of spinal meningitis, on Thursday morning.

Mr. Osgood has been a lifelong resident of this place, always living on the home place on the Fryeburg road. For several years he was patrolman on the Roosevelt Trail and has been road commissioner for several years and was probably as well known as any one in town. He was a member of the Masons and the Grange.

Funeral services were held Sunday afternoon at his late home. The family certainly have the sympathy of the entire community.

The Grange held an interesting and well attended meeting, Friday evening.

The lecturer put on a fine program of instrumental duets, readings, recitations, and a farce.

The girls of Fryeburg Academy, are all at home enjoying a vacation.

Miss Partridge has returned from her home in Stockton and commenced the Spring term of school.

A letter from President Erskine

I am very glad to hear of it.

I hope that your motorists, like those in other sections, are responding enthusiastically to The Commander with its lowered price and heightened performance.

It is indeed a triumph worthy of Studebaker's Diamond Jubilee.

One of America's leading business men has written me that The Commander is "the greatest feat of post-war engineering".

Any one in your community who spends more than \$1500 for a car and does not purchase a Commander or a President has made a serious mistake for which you should feel accountable.

If you give every such person an opportunity to drive a Commander these mistakes will not occur.

Yours very truly,

HEYWOOD CLUB

Shower Given Mrs. Cherrie Noble Frechette.

Heywood Club met March 30, with Mrs. Addie Thurston. Several club members and a few visitors braved the muddy roads to attend. Meeting opened as usual and after business matters were attended to, attention was turned to the "Home" programs which are proving so interesting. The subject taken up was "Heath in the Home" and several good ideas and thoughts were talked over. Then came the entertainment in the form of a surprise shower given by the Heywood Club to Mrs. Cherrie (Noble) Frechette, a bride of a few weeks. Mrs. Thurston decorated her house very prettily in honor of the occasion, in yellow and white, a string was attached to the chandelier, by a heart from which yellow and white streamers ran to the corners of the room. At the beginning of the string was a pretty bunch of flowers. The bride was asked to play a selection on the piano and then to follow the course which the string went. It wound in and out through the different rooms. The first token she came to was another bunch of flowers with an original poem attached which she read, then proceeded on her way until she began to think it was like the brook which wound in and out and went on forever, but at last she came to a big clothes basket filled with pretty and useful articles as each member had showered her with a present and Mrs. Richardson read an appropriate poem while Mrs. Frechette admired her presents. Heywood Club as a club, presented her with half a dozen silver knives and forks. The party then marched to the dining room where Mrs. Thurston had prepared a delightful lunch with place cards of two hearts pinned together with Cupid's arrow. Mrs. Frechette is the daughter of Nathan Noble and plays the piano in the Dunham orchestra at Heywood Club for dances, parties and other good times which are held there. Club was adjourned to meet at the club house in four weeks (mud permitting) and all pronounced it a most enjoyable occasion. Mrs. Kneeland is an ideal hostess.

The regular Grange meeting was held Saturday evening, with a good attendance. Miss Julia Burgess was initiated the first and second degrees of the Grange. A social followed.

Mr. and Mrs. Charles Plummer have been entertaining her sister-in-law, Mrs. George Plummer, of Raymond, for a few days.

BRIDGTON

Buildings Threatened by Fire—Schools Opened Monday—Bridgton Boy Married in the West—Club Meeting.

The buildings on Mechanic St., belonging to the Misses Carrie and Georgia Horr, who are teaching respectively in Arlington and Belmont, Mass., had a narrow escape Monday afternoon when a grass fire in the field behind the street, set by Charles Trumbull, 16 years old, ran amok and entering the barn cellar, badly burned the foundation timbers. Only the good work of men in the neighborhood, with brooms, pails of water, and hand fire extinguishers, and the prompt arrival of the fire department, prevented a bad fire. On the floor above were a Ford touring car and an Overland sedan, which were removed during the fire. The buildings, house, all and large barn, are used by the Horr sisters as a summer residence.

The people at the Community service at the Congregational Church, Sunday evening, were a bit startled when during the singing of the anthem, "Hark, Hark, My Soul," by the choir, the lights suddenly flickered out. The pastor, Rev. Wm. A. Richmond, stepped into the void, and announced, as was appropriate, that "God's Call" quitted the music. He was followed by a few well chosen remarks, continuing with his topic after the lights came on some ten minutes later. Other features of the service were selections by the church orchestra, and a vocal duet by Mrs. LeVaughn Staley and Mrs. Grace Richardson. The temporary extinction of the lights was caused by some disturbance in the church lighting system.

Henry C. Eastman of Limerick, structural engineer of the Western Maine Power Co., is in town at present for the purpose of making an inventory of the lighting system of the town, both streets and buildings, with a view to improving the system.

Friends in town will be interested to learn of the marriage of Frank H. Clark, son of Mr. and Mrs. Allen P. Clark of Bridgton, to Miss Cecil Shapell of East Lansing, Michigan, which occurred Saturday, April 2, at East Lansing.

Clark is in charge of Field Work in the Plant Breeding Department of Michigan State College, in which college he received his Master's Degree in June, 1926. He is a graduate of Bridgton High School and University of Maine. Mr. and Mrs. Clark will spend the month of June in Bridgton.

County Attorney Ralph M. Ingalls was speaker at the Lion Club meeting, Monday, at the Cumberland Hotel. His subject was "Crimes and Criminals" and was much appreciated by the good number present.

At the annual meeting of the Business and Professional Women's Club, held Tuesday evening, April 5, in a class room

of the Methodist Church, the following officers for 1927 were elected:

President—Capitol Riley.

1st Vice Pres.—Mrs. Edna Cabot.

2nd Vice Pres.—Mrs. Ruth Wells.

Chairman—Frances Davis.

Recording Secretary—Amanda Berry.

Corresponding Secretary—Frances Davis.

Publicity and State Bulletin—Stella L. Cole.

Legislative—Eva L. Shovey.

National Emblem—Lida Pratt.

Membership—Mrs. Hazel Chabourn.

Service—Mrs. Alice Smith.

Personal Research—Ada Keene.

Music—Mrs. LeVaughn Staley.

Education—Mrs. Edith Hamblen.

At the public supper held at the Methodist Church, Tuesday evening, April 5, by the Parent-Teacher Association, some two hundred people were served, including a special table, at which the members of the Business and Professional Women's Club were seated. The speaker of the evening was Supt. Wm. B. Jack of the Portland Schools, whose topic was "The Realities of a Good Teacher," in which he made the following ten points: (1) The Realities of a Good Teacher, (2) The Realities of a Good Teacher, (3) The Realities of a Good Teacher, (4) The Realities of a Good Teacher, (5) The Realities of a Good Teacher, (6) The Realities of a Good Teacher, (7) The Realities of a Good Teacher, (8) The Realities of a Good Teacher, (9) The Realities of a Good Teacher, (10) The Realities of a Good Teacher.

Mr. and Mrs. Pierce returned Home—Young Men Work Up Tom Bisbee's Wood.

George Verrill was in Lewiston, Saturday, to visit his friend, Tom Bisbee, at the C. M. G. Hospital.

Stanley Witham and a friend from Gray were in town recently and took dinner with Mr. Witham's cousin, Howard Heath, and family.

Mr. and Mrs. Fred Pierce have finished their labors at the town farm and are at their home at Northwest Norway for the month of April, after which they will work for Mr. and Mrs. E. G. Farnum, for the summer.

One day last week a number of the younger men in this vicinity went into the woods on Tom Bisbee's and worked up a number of cords of wood that had been yarded in logs. They saved it in to four foot length and split it, ready to be delivered to the customers where it had been previously engaged.

Mrs. Olive Whitman kindly furnished dinner for the crowd. George Hobbs volunteered to take his team and carry the dinner to the men who, according to reports, surely did ample justice to the most excellent dinner furnished by Mrs. Whitman. Those who made up the party were Clarence Whitman, Theodore Whitman, Everett Morse, Asa Packard, Edwin Austin, Fred Austin, Chester Austin, and John Bisbee.

Everett Morse saved wood for C. B. Whitman, Saturday.

Roy Ingalls saved Ned Cox's wood this week. Chester Austin and A. D. Kilgore helped him.

Miss Augusta French of Northwest Norway visited at Horace Hussey's a few days this week.

Frank Morse, who has worked for Foster Jackson this past winter, finished work there several days ago and was at his parental home several days last week.

Choice dahlias and gladioli are advertised for sale by F. H. Beck, of Norway, in another column of this issue. See ad.

THE MUTUAL SAVINGS BANKS

are popular with Maine people because

1. They have existed in this state for 100 years for just REGULAR FOLKS who like to save money.
2. They offer a safe investment for people who do not wish to take any risk of their earnings.
3. The laws of Maine define just how carefully all Mutual Savings Bank investments must be made.

The patented beater construction gives you these distinctive advantages:

BATES—WEST PARIS

John Sherman Billings Dead—Annual Parish Meeting—Little People's Program—Purchased New Pulpit Chair.

The community was greatly saddened by the death of John Sherman Billings, Sunday morning, April 2nd. Mr. Billings was sick only one week, taken with a cold and had throat which resulted in rheumatic fever. He was a young man of 27 years, having passed his birthday a week or two before he was taken sick. He married Frances Perkins, who survives him, their only child, Barbara Ann, a mere baby, died the first of January. He also leaves a mother, Mrs. S. I. Wheeler, of North Paris, one sister, M. A. wife of Bonnie Cole and a half sister and brother, Esther and Gordon Wheeler, both of whom are in the West Paris community. Mrs. Wheeler was a member of the Base Ball Club and a great favorite among the ball players. He was employed in the Feldspar mine. He was graduated from West Paris High School in the class of 1919. The funeral was held Tuesday, at 1 P. M. at the Universalist Church attended by Rev. E. B. Forbes. Interment was in West Paris cemetery. The flowers were many and beautiful, sympathetic expressions of his many friends.

At the Universalist parish meeting a unanimous vote was extended to Eleanor B. Forbes to remain another year. She will be her fifth year. She is enjoyed by both old and young and has answered many calls for service not alone in this pastorate, but from former friends in other towns. The reports of the parish showed all parts of the organization to be in good condition.

A very interesting program was given by the little people from the primary and third and fourth grades for the public schools under the auspices of the Federated Church last week, Thursday evening. Mrs. Ellen Pike and the teachers, Mrs. Edwards and Miss Judd. The first of the program included Mrs. Pike's little children and other Sunday School beginners, who are not yet old enough to go to the school. The children did very well and showed good training from their teachers, all of which was very much enjoyed. A class of boys sold ice cream and one of girls had pop corn, candy, and cake. The young people had a social after the program.

Mrs. Walter S. Penley is in St. Barnabas Hospital, for appendicitis.

Perhaps it would be interesting to know that 14 magazines and papers are taken for the library use. One magazine, "Field and Stream" is given by Mr. Doughty, a weekly paper, "The Union Signal" is given by the W. C. T. U., the "Grange Monthly" by the Grange and the "Canadian National R. R. Magazine" by the G. T. R. Co. through their local station agent, Mr. Williams. Other recent gift of books are: "The Sprites—A Story of Red Fox" author, Ernest Harold Evans, given by Mr. Williams; "The First Hundred Thousand" author, Ian Hay, given by Mrs. Dora Jackson, four volumes of "The Outline of History" author, H. G. Wells, given by Mrs. Ward Penley, also four books by Mrs. D. H. Field, and one by Phyllis Welch. A scrap book for library news items has been given by Mrs. Mabel Mann. There has been a call for the book, "The Town of Paris" and Librarian, Ruth A. Tucker wants to know where and how it can be procured.

Rev. E. B. Forbes attended the funeral of Mrs. Everett D. Tuell, at West Sumner, last Tuesday, and that of Kilborne Bowker, on Saturday.

A set of three new pulpit chairs have been purchased by the Dorcas class, for the Baptist Church, to replace the much worn set that has been there for so many years.

The figures in last week's item on the expenditures on repairs at the Methodist parsonage were by mistake too small. Nearly \$600 was what was spent. Also repairs at the Baptist church were nearly \$500, all this during the past year or two.

Mrs. Margaret Hill has German measles.

A 6 1/2 baby girl was born last Sunday morning to Mr. and Mrs. Ronald Ross. Lydia Ross is the nurse. This makes Mrs. Martha Hill, a great-grandmother.

Some from this Grange attended Pomona, at Welchville, Tuesday.

Dorothy Libby of Gardiner, is visiting her sister, Mrs. Chester McAllister.

Plans are made and rehearsals begun for an Easter service and pageant at the Baptist Church, Sunday evening.

Everett Duell called at H. B. Tuell's last Tuesday.

Mrs. H. H. Wardwell has been at Buckfield with her parents, Mr. and Mrs. Cyrus Irish for several days.

Mrs. Martha Richardson has gone to South Paris on a visit.

SOUTH WOODSTOCK
